RE: BAR PILOTAGE RATES AS DEFINED IN
THE HARBORS AND NAVIGATION CODE
STATE OF CALIFORNIA

To All Customers: As of April 1, 2013 the following mill rate will be in effect:

The basic Bar Pilotage rate (mill rate) per high gross registered ton will be 91.81 mills (\$0.09181), and ten dollars and twenty-six cents (\$10.26) per draft foot of the vessel's deepest draft and fractions of a foot pro rata, pursuant to Section 1190(a)(1). The minimum charge for bar pilotage, pursuant to Section 1190(a)(2), will be \$662 for each vessel piloted plus the following additional charges.

The **Pilot Pension Plan Surcharge**, authorized by Section 1165, will be 21.79 mills (\$0.02179) per high gross registered ton for each vessel piloted as provided by Section 1165(a)(1). This portion of the total mill rate, shown separately on our invoices, is calculated quarterly for the adjustment of tonnage and any changes in the number of pensioners.

A **Pilot Boat Surcharge**, authorized by Section 1190 (a)(1)(B), will be 3.27 mills (\$0.00327) per high gross registered ton for each vessel subject to the bar pilotage fee described above.

The **Board Operations Surcharge**, authorized by Section 1159.1, will be one percent (1.0%) of all pilotage fees as per the direction of the State Board of Pilot Commissioners, effective January 1, 2013.

The **Pilot Continuing Education Surcharge**, authorized by Section 1196, is \$105.00 per move per the State Board of Pilot Commissioners, effective January 1, 2011.

The **Pilot Trainee Surcharge**, authorized by Section 1195 is \$15.00 per trainee per move per the State Board of Pilot Commissioners, effective January 1, 2013.

The Service Codes for 2013 remain the same as 2012. It is anticipated that these fees will remain constant throughout 2013, with the exception of the quarterly Pension Plan Surcharge and the Pilot Boat Surcharge and Trip insurance. Trip insurance coverage, if accepted, will be \$6,345 per move. Please advise if you need a copy of the Service Code Listing or Trip Insurance information.

Sincerely,

Captain Richard Hurt
